## Letter to Parishioners

Reading: Proverbs 3 verses 5-8

Hello everyone,  
hard to believe that it is September already and we are about to begin another year of organisations and activities in Holy Trinity. As I sit down to write this short letter it is still August, August 11<sup>th</sup> to be precise. As I look at

my diary I can see what we have planned for later this month, the family fun night. Then as I look on in to September I see all the registration nights for organisations beginning and another evening of people requiring AccessNi checks and Safeguarding Trust Training. Both of which have to be repeated every three years. Then there are the endless other policies required now that we are a registered charity and a quinquennial inspection looming as well. I don't expect you to know what that is. It is all too easy to get caught up in the administration work, necessary and legal as it is, and to lose sight of why we are actually here. Namely to glorify God and have fellowship with Him in and through His only Son, Jesus Christ.

The reading from Proverbs 3 helps to remind me to focus on and lean on God and to allow Him, through His Word and the Holy Spirit, to direct my path in life. When I look back over my life I can see how God's hand has been upon my life and how He has guided me, often unseen by me, in the paths of righteousness and blessing. There is no denying there were times when I felt lost and lonely and longed for His guidance. Yet, that too is part of God's guiding hand because in those dark and difficult days I had to trust His Providential care and remind myself that He cares for me and that His plans are for His glory and my good. Take a moment and

read Psalm 139 verse 16 and Romans 8 verse 28. Both of these verses remind me that God is in control of every moment of my life.

It can be difficult to trust God when everything seems to be going wrong. When we get bad news from the GP or when some other “trigger” arrives in our lives unexpectedly. When we look at the world around us things seem to be in a terrible state of chaos, with wars, famines, pandemics and evil abounding. Those are the moments when I remind myself that God is sovereign and in that He will one day bring all this to an end when His Son returns and the new heaven and the new earth appear.

For me it is a constant challenge to have the right perspective on life and on the events of life. I need to constantly lift my eyes off myself and turn my face, my mind and heart, heavenward and do as Proverbs 3 says to acknowledge God in all my ways and then the promised blessing will flow in to my life. The right perspective is not to lean on my understanding of the times, the situations or the events of life but to lean on God’s Word and His revealed will. Then I can lift my eyes above the dark gloom of this world and my heart and mind rests on the knowledge that God is in control and He will bring good out of all situations. I may not understand at this present moment but I remind myself I am not called to understand but to place my faith and trust in God, especially when I do not understand.

So as we begin new year of work at Holy Trinity can I encourage you to take Proverbs 3.5-8 as the foundation verses for this term ahead. To consciously and faithfully each morning commit yourself to lean not on your own understanding but in all ways to acknowledge God. To seek His glory in everything that we do as individuals and as a church this term.

May God richly bless you today and always

*yours in Christ*  
**Rev Dr Alan McCann**

## 6UP

The first meeting of 6Up will be on Sunday 7<sup>th</sup> September @ 6pm. All welcome.

## **Thank you from Anne and Maurice**

As many of you will know, our bungalow was recently destroyed by fire. Standing there watching our bungalow burn down and destroying everything we own is not something we wanted. Whilst that was difficult enough it wasn't the most overwhelming thing we encountered that day or the days that followed. No, the most overwhelming part of this whole episode is the generosity of the people of this town and particularly, this congregation.

Whilst watching the firemen at work we were blessed with over 20 offers of a room for that night. Some from strangers.

Two things we'd like to share with you:

One of our congregation offered to buy a new bible, which spoke volumes of the level of her faith and our own faith.

It shows what is important in our lives.

The day after the fire we met our Insurance Loss Adjuster on site. He needed the front door opened to take pictures. (He didn't go inside as it was unsafe). Laying on the door mat was a soaking wet white envelope. Written on the envelope was "Sorry this has happened. Hope this will help" Inside was £5 made up of an assortment of coins. It instantly reminded us of Luke chapter 21, the Widows mite.

Our bungalow is to be completely demolished and rebuilt. We are now in rental accommodation for the next 12 months whilst the rebuild procedure is followed.

Satan may have lit the fire but Jesus Christ put it out and got us out safely. Our faith in Jesus Christ is stronger than ever.

## **Update on the Children's Outreach Mission (C.O.M.), Labora, Tanzania**

It's hard to think, for me anyway, that it is a year since I visited Labora and experienced again the vibrant worship and enthusiastic R.E. classes in schools.

Some of you will recall the presentation I gave in October and the pictures and video clips of many of the activities.

In that year, there have been trials and tribulations but through them all God's guiding hand is evident and experienced.

The schools that Elizabeth and her team visit continue to attract large numbers of youngsters ranging from the 80's to well over 100, in one class 149. The two schools I visited had over 120 in each.

We thank God that Elizabeth and her Christian teaching is welcome in these school, both Primary and Secondary, where existing teachers are not spiritually equipped nor have a Biblical understanding to teach Biblical studies.

Elizabeth's link with Scripture Union as a volunteer has involved her in S.U.s initiative to reach out to all denominations in the Labora area to encourage Children's Ministry. Many churches don't have any sort of Sunday School or other children's activities due to the attitude that

‘children should be seen and not heard’, also a lack of adults willing to commit to this responsibility.

Elizabeth has been responsible for visiting these churches and enthusing them in the need to provide Christian teaching for children. Then she has organised teaching seminars for prospective Sunday School teachers, some 30 of whom attended the most recent seminar.

Coupled with all of this are the Good News Clubs that meet at Elizabeth’s house on Saturday and Sunday afternoons. Members attending range from 40’s to 60’s, where bible teaching, fun and games and food are the order of the day.

‘Friends’ of C.O.M. were able to provide supports for the construction of a new swing and slide for the children’s entertainment. ‘Friends’ support continues to provide for Elizabeth and her 2 girls daily needs. Coupled with this is the support for the work of C.O.M., stationary and teaching aids, visits and outings and much more. Needy families and individuals have also, and continue to be assisted, particularly with medical costs.

These are some of the tribulations, however, there have been the trials also.

In April Elizabeth was injured in a motorbike-taxi accident on her way to school. Suspected broken ribs turned out to be severe bruising, coupled with cuts to her legs, arms and face. A week’s rest and she was back at work despite her pain.

Then, believe it or not, she was involved in another accident in May. Fortunately her injuries this time amounted to a few scratches. We thank God that in both accidents her injuries were not more serious or worse. Fatalities are common on Labora roads.

And that’s not all. On the 27<sup>th</sup> July her home was broken into while she was at school. A lot of personal belongings were taken, including clothes, shoes and more belonging to her and her girls. Also stolen was a laptop which I had brought out for her husband Emmanuel on my previous visit. While Elizabeth has reported this robbery to the police, they have not been to see her, their response has been non-existent! There is no such thing as

household insurance. Consequently I have promised that we will help with replacement costs.

As 'Friends', supporters and interested onlookers, we are called to play our part. I ask that we give thanks for the vision, enthusiasm and perseverance that Elizabeth and her team have been blessed with. Please also pray for the new Sunday School teachers as they grow in faith and confidence to teach the Bible. Please also pray for safety on the roads and at home.

There is no doubt that Elizabeth and her team have been blessed with a persevering nature as through all that they do in schools and Good News Clubs is driven by their desire to make Jesus known to children.

Two members of the Prayer Team will be meeting in the Prayer Room on Sundays after the service to lift your prayer slips. Two members will also be available at the front of the church to pray with you at this time each week. We will rotate in these roles so you will see different faces from week to week. Please do ask if you would prefer prayer in the privacy of the prayer room. The slips will continue to be lifted weekly and on 4 occasions as previously (usually over 4 weeks but may be over a longer period). Therefore, please do continue to make use of our prayer request box situated in the front hall of the church. As always, be assured that information on the slips remains confidential. We would encourage you to complete a prayer slip after you have attended for prayer so that we can continue to pray for your situation when we meet together.

If you would be interested in being part of the prayer team we ask that you consider this and know that we would dearly love to have your support. Please do approach one of us.

## C.M.S Ireland Used Postage Stamps

Hello everyone. I hope you had an enjoyable and relaxing summer and have soaked up all the lovely sunshine we have had. I also hope that you have not forgotten about the support work that CMS Ireland is still involved with in Africa. As you know, we are all facing the reality of bills that are continuing to increase, no less so than our poorer brothers and sisters in Africa. But I am not asking you for your money, just for those stamps that come through your door or arrive in your workplace. They provide a small but important means of revenue when sold on to a stamp dealer.

Please remember to leave a paper border around those stamps and leave them in the stamp box on the table in the church foyer.
